

# **CLOCKWISE - Christian Time Management**

## **Ephesians 5 11 - 17**

**1. Live wisely: make the most of your time (15-16)**

**2. Live wisely: put effort into working out God's will (17)**

- **Finding out the Will of God as revealed**

Read and meditate on Scripture:

- Two Great Commandments
- Two Great Commissions

- **Discerning the will of God for you in specific choices**

1. Seek God and ask for a settled sense of what **he** wants.
2. Work out the way *you* can *best* serve God within the directions and boundaries of his revealed will
3. Seek advice from wise folk who are ready to tell you the opposite to what you want to hear.
4. Be open to the whisper of God's Spirit, esp. through the Bible as preached, discussed or read.
5. Make a decision, commit yourself to it prayerfully and be ready to review it.

- 3. Live wisely and God will use your life to bring light into dark places (11-14)**
  - God uses wise lives to make sin visible.
  - God uses wise lives to turn darkness into light
