

WHY WE ALL NEED A HEART TRANSPLANT.

Jeremiah 17: 1-18

1. Our Hearts – our biggest problem.

- *Fundamentally flawed (1)*
- *Deceptive (9)*
- *Unfathomable (9)*
- *Perfectly understood by God (10)*
- *Incurable (9)*

2. Our Choice – our biggest decision.

- *Follow our hearts*
trusting in ourselves or created things (5-7)
- *Ask God to heal our hearts,*
trusting in him instead (14, 7-8)
