

HEBREWS 2:10-13

The Appropriateness of God's Plan is seen in

1. Jesus' Suffering for us (10)

- *Everything is from and for God,*
- *and God is determined to bring us to glory,*
- *so suffering was fitting because it made Jesus the perfect Saviour*

2. Jesus' Solidarity with us (11-13)

- *Jesus is one with us in our nature*
- *So (in line with an OT pattern) Jesus can call us his brothers and sisters.*

Applications

- *We are part of God's family. Are we making the most of it?*
- *He is making us holy. Are we cooperating?*
- *He is not ashamed to call us brothers and sisters:
Are we in appropriately ashamed of ourselves?
Are we ashamed of him?*
