

HOW CHURCH LEADERS AND PEOPLE CAN WORK TOGETHER FOR THEIR RESPECTIVE JOY AND GOOD (Hebrews 13: 7, 17-19)

1. Three responsibilities for leaders as they work for the people's good

- *The vital work of speaking the Word of God*
- *The sobering challenge of living a life worth imitating (and facing the consequences of failing to do so)*
- *The awesome task of keep watching over the souls of the people in order to give an account to God.*

2. Two responsibilities for the church to make the leader's work a joy

- *Obedience and submission to leaders (17)*
- *Prayer for leaders (18-19)*

WHO IS SUFFICIENT FOR THESE THINGS?

3. We all find hope and strength in the unchanging Lord Jesus Christ and his finished work (v8)
