

# **One of us: how God became human and what it means**

**John 1:14**

## **JESUS**

### **who He was: God the Word**

- There is a loving God who communicates
- There is a loving God who has created us and everything

### **who He became: Human as well**

Flesh: Humanity, Physicality, Weakness (not moral), Mortality

- There is a God who loves us enough to make himself known to us
- There is a God who loves the physical world enough to enter and live in it
- There is a God who loves us enough to become one of us
- There is a God who loves us enough to invite us into a relationship with him.
