## **Life in the Spirit**

**Galatians 5:1-5**

**God gives us the Holy Spirit as we**

- **Begin to trust Christ, not keeping the law.**
  - God brings the message of the cross to us (1)
  - God gives the Holy Spirit because we believe in Jesus (2)
  
- **Continue to trust Christ not human effort or law keeping**
  - After conversion it is dimwitted to switch to relying on human effort (3)
  - Let's not invalidate our extensive experience of God by getting this wrong (4)
  - We should realise how and why God is working as we keep trusting Christ – not because we try to keep the law (5)
