## **FREE TO LOVE**

### **Galatians 5:13-15**

#### **God has called us to be Free in Christ (13a)**

#### **What that Freedom means:**

1. Freedom from needing to earn a relationship with God through law keeping (Galatians 1-5)
2. Freedom from self-indulgence and self-centredness (13b)
3. Freedom to serve others in love (13c)
  - A result: we fulfil the law (14)
  - An alternative: we destroy each other (15)
