Flood warning

Genesis 6 - 8

Creation – De-creation/Salvation – Re-creation

1. God judges violence

- *He recognises it as de-creation*
- *He is grieved by de-creation*
- *He cleanses by completing the de-creation*

2. God saves from violence

- *He gives us grace to reverse our de-creation*
- *He commits himself to keep us safe through his de-creation*
- *He initiates re-creation for us to live with him*
