

# What we are and what we can be

## Isaiah 2:1-4:6

- The world we all want – and how we expect to make it (2: 1-5)
- The world we all make – and the judgement of God on it (2:6 – 4:1)
  - *We proudly fill our lives with everything but God – and He reveals our emptiness (2:6 – 22)*
  - *We watch powerful trendsetters exploiting the poor to pursue personal luxury - but God will respond (3:1-4:1)*
- The world we *can* hope for– and how God will make it happen (4:2-6)
