God's faithful minority

Isaiah 8

1. Floods: God's faithful minority can trust that God will be with them, even though they may be up to their necks (1-10)
2. Fear: God's faithful minority reshape their thinking and feeling round the Holiness of God (11-15)
3. Face: God's faithful minority join Jesus in waiting for God even when He hides His face (16-18)
