

A new vision for weary people, taking us from Complaining to Comfort

Isaiah 40: 12–31

A. Look at your situation in relation to your God (12–26)

God is supreme in power and wisdom

*Our God is the Cosmic Creator and Controller (12–14, 21–22)
so... He is greater than nations and their rulers (15–17, 23–24)*

*God is simply Incomparable (18, 25)
so...He is greater than all we fear (19–20, 26)*

B. Let him deconstruct your Complaints (27–28)

In spite of appearances, God's not gone blind or AWOL

C. Open yourself to his comfort (29–31)

God will sustain you supernaturally – as you wait for him expectantly
