A new vision for anxious people

Isaiah 41: 1-20

Fear – Our greatest problem?

Who's in charge in the Middle East? (1-4)

Two ways to deal with our fear (5-20)

1. Seek refuge in unreliable gods (5-7) ?
2. Dissolve it in the presence of the living God (8-20)
 - We are important to him (8-10)
 - We transcend our self-image through his help (11-15)
 - We find supernatural renewal in him (16-20)
