# **Everything we need**

2 Peter 1:3-4

Four encouragements for those pursuing godliness

1. The pursuit of godliness is not a futile exercise (v3)
2. All the resources we need for godliness come to us through our knowledge of God (v3)
3. These resources for godliness take the form of precious promises (v4)
4. The end of the pursuit of godliness is “Godlikeness” (v4)
