(Hebrews 11:20)

Slides and notes from Julian Hardyman's sermon at the online morning service, 14th March 2021

Hebrews 11:20

By faith Isaac blessed Jacob and Esau in regard to their future.

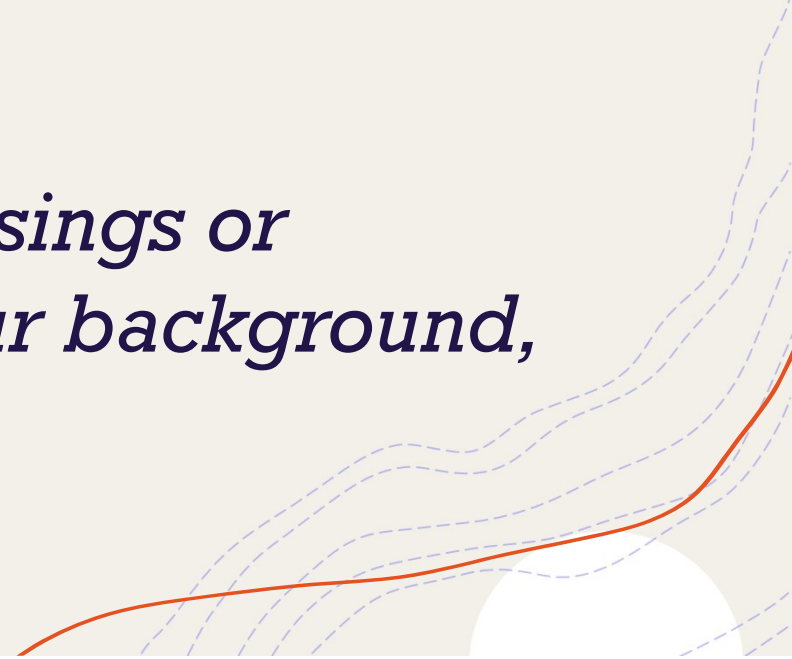

**1. Isaac's childhood faith:
Learning from laughter and slaughter**

2. Isaac's adult faith: From family joy to family strife

How have you responded to the blessings or challenges God has given you in your background, family or friends?

**3. Isaac's retirement failure:
Family war over God's future**

*How have you let your desire for things
spoil your relationships with people and
Christ?*

**3. Isaac's retirement faith:
Finally trusting God for the future**
