

Pressing On - Heavenly-mindedness Philippians 3:15-4:1

Slides from Julian Hardyman's sermon at the morning service, Sunday 15th January 2023.

Heavenly-mindedness - its importance

Heavenly-mindedness - its opposite

The background is a solid teal color with a pattern of white, hand-drawn contour lines. These lines form various organic, wavy shapes that resemble topographic map lines or abstract organic forms. The lines are of varying thickness and are scattered across the entire background.

Heavenly-mindedness - its essence

The background is a solid teal color with a pattern of white, hand-drawn contour lines. These lines form various irregular, organic shapes, some resembling topographic map lines or abstract organic forms. The lines are of varying thickness and are scattered across the entire background.

Heavenly-mindedness - its focus

The background is a solid teal color with a pattern of white, hand-drawn contour lines. These lines form various organic, wavy shapes that resemble topographic maps or abstract organic forms. The lines are of varying thickness and are scattered across the entire background.

Heavenly-mindedness - its future
