LIGHT & DARKNESS

(8:12)

A lit torch with a bright yellow and orange flame, set against a dark background with a sunset sky and silhouetted mountains. The torch is the central focus, with the flame extending upwards and to the left. The background is a gradient of dark blue and black, with a thin layer of orange and yellow light near the horizon, suggesting a sunset or sunrise. The mountains are dark and silhouetted against the lighter sky.
